PROGRAM

Wednesday April 6, 2016

Wednesday is the day of arrival, and from 2.00 p.m. there will be registration in the lobby of the hotel. In the evening a welcome reception is held in the hotel from 5.30 to 7.30 p.m.

Thursday April 7, 2016

Thursday is an exciting day, when we leave the hotel at 1.00 p.m. by bus (lunch on your own before departure). First stop is the Beringer Winery. Beringer is in short an American legend within wine. In 1875 the two German brothers, Jacob and Frederick Beringer, bought a piece of land in Napa Valley in California and founded Beringer Winery in 1876. Beringer Winery is the oldest continuously functioning winery in Napa Valley. After the visit to Beringer Winery the next stop is dinner in the evening at the restaurant The Spinnaker in Sausalito. The Spinnaker has an impressive view to the San Francisco skyline, Alcatraz and Bay Bridge. After dinner the bus will take us back to the hotel.

Friday April 8, 2016

Friday will be an all-day trip to Down Town San Francisco. We are leaving the hotel at 11.00 a.m., and the first stop is lunch. The place of the lunch will be informed on the day. After lunch the bus takes us on a sight-seeing tour round San Francisco, and when this tour is finished the bus is stopping at Fishermans Wharf, and the area of Fishermans Wharf can be explored. Dinner is on your own, before the bus is returning to the hotel late in the evening. The "Fishermans Wharf" area is offering shopping center, many restaurants, various museums, etc.

Saturday April 9, 2016

Saturday morning we are visited by the "Innovation Centre Denmark", a department of the Danish Ministry of Foreign Affairs. They will do a presentation of their work. Innovation Centre Denmark in Silicon Valley is one out of seven departments of the Danish Ministry of Foreign Affairs around the world.

Innovation Centre Denmark offers help and support to Danish companies, wanting to establish themselves in the USA. The world is developing faster than ever before, so you must all the time be a step ahead. Here Innovation Centre Denmark gets into the picture and can offer help and knowhow.

Innovation Centre Denmark is headed by the Dane Søren Andersen, who moved to San Francisco in 2014. Søren and others will visit the hotel and do a presentation of what is happening here and now in the U.S. and Denmark relation. It will be possible to ask questions also.

On Saturday afternoon the Annual General Meeting is held for all members with a presentation of the annual accounts of 2015. Saturday evening ends up with a festive gala evening, which besides a dinner also includes entertainment, music and dancing. Several Danes living in the area will be invited.
